

## Donate Items to Foundation Restoration

Do you want to partner with Foundation Restoration to equip, encourage, and restore marriages but prefer not to just write a check? Well, we have a list of items that our couples need or our organization needs to help couples that we'd love for you to donate! Check out the list to see some suggested items, but feel free to get creative!

Thank you for your generosity and partnership to help restore the foundation of society – marriages! God bless you!
